

PHYSICAL SUNSCREEN

C R O T I O N S P F 3 0

SOFT SKIN - CREAM-LOTION HYBRID - UBER HYDRATING

A power-packed formulation designed to fall between a lotion and cream texture. A full-bodied texture, yet lightweight feel and finish on the skin. This formula is perfect for those who love a richer texture without a heavy or greasy after-feel. Zero white cast makes this formula suitable for all skin tones. A **cyclomethicone (D5) free, reef safe** mineral sunscreen system.

Powered by MicroSpense® Technology, this **emulsifier free** formulation, is safe for people, and the planet, protecting water supplies while delivering unmatched efficacy and skin protection.
